NOTIFICATION OF DOCKET ENTRY

This docket entry was made by the Clerk on Monday, May 13, 2024:

MINUTE entry before the Honorable Thomas M. Durkin: The Court is in receipt of the parties' joint written report on the outstanding disputes regarding proposed Case Management Order No. 4. See R. 145. Judge Weisman will resolve any differences related to deadlines. As to the disputes regarding page limits and font for the Rule 12(b)(6) motions, those will be resolved by Judge Durkin, but only after the parties have once again met and conferred and inform the Court that they still cannot reach agreement. By 6/11/2024, the parties should submit a brief written report, not to exceed 3 pages, stating the agreed page limits and font or stating their respective proposals, without any further argument. Any other remaining disputes regarding page limits and font are premature. The parties should endeavor to reach agreement with respect to each motion. If, at a later date closer to the deadline for each motion and after meeting and conferring, the parties still cannot agree, they can present their respective proposals to the Court. Mailed notice.
