PLC’S REPORT ON STATUS OF SCHEDULE A

Per ECF No. 183, the PLC submits this report regarding additional removals from Schedule A since its report on February 7, 2025. (ECF No. 191.)

Since the PLC’s last report, counsel have indicated that 12 additional Schedule A Plaintiffs may be removed from Schedule A. A Revised Schedule A is attached as Exhibit 1.¹ Attached as Exhibit 2 is the list of the Schedule A Plaintiffs who, per their counsel’s responses in Crosslink, have consented to removal from Schedule A (Consent to Remove List).

These updates bring the total number of Schedule A Plaintiffs from 8,623 to 8,611.

Seventy Census Forms (with authorizations, proof of use, and proof of injury) have been served to Defendants. There are 1,116 Census Forms in process in the Crosslink system.²

¹ The native Excel files of the Revised Schedule A and Consent to Remove List spreadsheets will be emailed to chambers and to defense counsel today.

² This does not account for firms that are completing their Census Forms via the bulk-upload option. Those are completed via spreadsheets at the individual firms and are not tracked in the Crosslink system until the bulk upload is delivered to Rubris. Firms with >30 claimants on Schedule A are eligible to complete by bulk upload.

Dated: March 7, 2025
